

# SHOPPING AT HINCKLEY'S

241st and NARBONNE (ARLINGTON)

IS A FAMILY AFFAIR

## MEATS

..that make the meal...

REMEMBER!! ALL MEAT IS GOVT. GRADED. HOWEVER, FROM THE VERY BEST U. S. CHOICE AND U. S. GOOD GRADED IS SELECTED. WE INVITE YOU TO INSPECT OUR REFRIGERATED STOCK ROOM AND GUARANTEE THAT ALL OUR MEAT IS SO STAMPED.

**MOTHER ENJOYS** . . . This friendly supermarket with the country store flavor, for many reasons but mostly because of the ease of shopping convenience. She loves our wide aisles . . . THE COMPLETE SELECTION OF NATIONALLY ADVERTISED GROCERY ITEMS, and the cool comfort of air conditioning in summer and well heated store for our colder days. She is impressed with our cleanliness and our enclosed front making every shopping day a pleasure.

**FATHER ENJOYS** . . . the superb meats (he's a man's man and delight in those thick juicy steaks, rich stews, and the golden brown chicken) that mother serves after a visit to Hinckley's meat department. Most of all Father enjoys the extra savings . . . He knows that quality is never sacrificed for price at Hinckley's, yet the family budget seems to s-t-r-e-t-c-h, since he discovered this friendly store.

**THE KIDS ENJOY** . . . What all kids enjoy . . . other kids . . . and Junior meets them all on the family trip to market, his tastes may vary with that of his parents but if Mom and Dad agree . . . and they usually do . . . he selects his favorite cereal, ice cream or candy bar from THE MOST COMPLETELY STOCKED MARKET IN THE BAY AREA. . . Bring the kids to Hinckley's, they will love it . . . and you will too . . .
